Business

Sales · Client relations · E-mail marketing · Invoicing · Logistics · Event representation

Daniel Husanu

Web Dev · UI/UX Design

Web developer and Business Information Systems student, with experience in digital certification, operations and client relations.

PROFILE

I study Computer Science for Business Management at the Romanian-American University in Bucharest and have 4 years of hands-on experience. At AlfaTrust – Alfasign I work with qualified digital certificates and electronic signatures, handle sales and client relations, and lately I've also been involved in debugging and development. At Horeca4You I coordinated daily operations: sales, invoicing, logistics, e-mail marketing and the company website.

I like understanding what a client needs and turning it into a simple, clear solution: a fast website, a more efficient process or a more pleasant experience for users. I'm motivated by work done well that actually helps people.

EXPERIENCE

Qualified digital certificates & sales

2023 – present

AlfaTrust Certification – Alfasign

- I issue qualified digital certificates and create qualified electronic signatures for clients.
- I manage sales and client relations, from first contact to certificate issuance and support.
- In recent months I've also worked on the technical side: finding and fixing bugs, debugging and development on internal projects.
- Crypto Officer (CO).

Operations, sales, marketing & logistics

2024 – Sep 2026

Horeca4You

- Main person in charge of daily operations.
- Sales management, invoicing and logistics, from order to delivery.
- E-mail marketing and representing the company at events.
- Managing and updating the website.

PROJECTS

EtaPro Cleaning

etaprocleaning.vercel.app

Presentation website for a cleaning services company.

StetoApp

stetoapp.vercel.app

A web app I built and launched.
